THANK YOU FOR CHOOSING VERIZON WIRELESS

You’re now connected to America’s largest, most reliable Verizon 4G LTE Network. That’s ten times faster than 3G. So go ahead, make yourself heard. For more information, visit verizonwireless.com/4GLTE.

This book will show you how to unleash the potential of your new device. Assistance is at your fingertips at verizonwireless.com. Customer Service is at your disposal at 1-800-922-0204 or at any Verizon Wireless Store. A comprehensive User Guide is available on demand—simply download one at support.vzw.com/phones, or call 1-800-734-5870 to order a copy.

Note: Devices and software are constantly evolving—the screen images and icons you see here are for reference only.
IMPORTANT CUSTOMER INFORMATION

DATA PLANS AND FEATURES

Content and Internet Access

Many services and applications offered through your device are provided by third parties. Before you use, link to or download a service provided by a third party, or an application such as a non-Verizon Wireless location-based GP style service, chat room, marketplace or social network from your device, you should review the terms of such service or application and applicable privacy policy. Personal information you submit may be read, collected or used by the service or application provider and/or other users of those forums. Verizon Wireless is not responsible for any information, content or services you access, download or use from the Internet. You are responsible for maintaining virus and other Internet security protections when accessing service. For additional information, visit the Verizon Content Policy at responsibility.verizonwireless.com/contentpolicy. Your Verizon Wireless Customer Agreement terms and conditions and certain other specially identified terms govern your use of any Verizon Wireless products and services.
Save time. Save money. Register now at verizonwireless.com/myverizon.

Manage your account. Quickly check your voice, text and data usage or make adjustments to your plan at any time.

Get personalized support. My Support answers your questions quickly.

Pay bills your way. Go green and set up Paperless Billing, make a one-time payment, or use Auto Pay and never worry about missing a payment.

Much more. Transfer your contacts in no time with Backup Assistant™ Plus, move your media, pick your Friends & Family®, or view email in one place from popular Internet-based email accounts, including Yahoo®, AOL®, Gmail™, and Windows Live.

Caution: Before assembling, charging or using your smartphone for the first time, please read the important legal and safety information packaged with your smartphone.
SMARTPHONE FEATURES

- **3.5mm Headset Jack**
- **HD Webcam**
- **Power Key**
  - Press = sleep
  - Hold = power
- **Volume Keys**
- **Micro USB Connector**
  - Charge or connect to PC.
- **Micro HDMI Connector**
  - Connect to HDTV.
- **4.0” qHD Touchscreen**
- **Menu**
- **Search**
- **Home**
- **Back**
FIRST STEPS

INSTALL THE 4G SIM CARD

Note: A Subscriber Identity Module (SIM Card) is a “smartcard” that houses personal information, such as your mobile phone number, calling plan, account information, and content, such as contacts, text messages, and call history.

The Verizon Wireless 4G SIM Card is compatible with any Verizon Wireless 4G certified device. You can move the 4G SIM Card from one device to another and your wireless service will work seamlessly as long as you have a compatible device and service plan. To see which devices are compatible with the Verizon Wireless 4G SIM Card, visit verizonwireless.com/certifieddevice.
ASSEMBLE & CHARGE BATTERY

1. Lift grommet & insert micro SIM in lower slot.
2. Lift grommet & insert optional microSD in upper slot.
3. Cover on.
4. Charge up.

Note: This product uses a non-removable battery. The battery should only be replaced by a Motorola-approved service facility. Any attempt to remove or replace your battery may damage the product and void your warranty.
**Tip:** In the unlikely event that your device becomes unresponsive, try a forced reboot—press and hold both Power and the down volume key for up to 10 seconds.

**Warning:** Please use only an approved charging accessory to charge your device. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your device and void your warranty.
TURN ON YOUR SMARTPHONE FOR THE FIRST TIME

It’s important to fully charge the battery before turning on your smartphone.

1. Turn on.
2. Select a language.
3. Create account, or log in.
4. Add accounts.

Record your Google account information for future reference.
Username: ________________@gmail.com
Password: ________________
Note: You don't need to have a Google Gmail account to use your phone. Feel free to skip this step if you don't have a Gmail account.

Note: If you have an existing Google Gmail account, your contacts from that account are synced to your smartphone.

Note: Your smartphone supports data-intensive apps and services. It is strongly recommended that you purchase a data plan to meet your needs.

SET UP YOUR SMARTPHONE
When you turn on your smartphone for the first time, you can quickly set up various accounts such as Google™, Corporate Sync, email, and social networking sites. Simply follow the on-screen instructions.

For more information on how to set up your email, visit smartphones.verizonwireless.com. Click on the Smartphone Support tab and select your smartphone.

ADD ACCOUNTS
Follow these steps to add more email or social networking accounts after you've already completed initial setup:
1. From the home screen, touch \( \square \) to see your applications.
2 Touch My Accounts > Add account > account type, and follow the prompts to set up your account.

BACKUP ASSISTANTSM PLUS
Backup Assistant Plus is a free service from Verizon Wireless that saves your smartphone’s contacts to a secure server. If your smartphone is lost or damaged, or if you upgrade to a new smartphone, Backup Assistant Plus will restore your contacts.

From the home screen, touch Menu > Settings > Backup Assistant+, and then enter your password.

Note: Subject to specific terms of use. Results may vary based on backup schedule and other factors. See verizonwireless.com/baplus for more details.

WELCOME HOME TO MOTOROLA ANDROID
Switching from an Apple™ or Blackberry phone?
Get all your important information set up on your new Motorola Android smartphone in a few easy steps. The Welcome Home To Motorola Android application transfers contacts, email addresses, calendar meetings, events, tasks, music, playlists,
photos, and videos from your old phone to your new Motorola smartphone.

To migrate data from your old phone to your Motorola smartphone:

1. Use your computer browser to navigate to www.markspace.com/welcomehome/, and download the free Microsoft™ Windows™ or Apple™ Macintosh™ version of the Welcome Home To Motorola application to your computer.

2. Install and run the application on your computer.

3. Follow the application instructions on your computer to transfer data from your old phone to your Motorola smartphone.

The Welcome Home To Motorola application will prompt you to connect your old phone to the computer with a USB cable, and backup the data you want to transfer.

Next, you will be instructed to install the Welcome Home: Motorola Android app on your Motorola smartphone, connect the smartphone to your computer with a USB cable, then transfer and unpack the data onto the Motorola smartphone.
TOUCHSCREEN TIPS

Here are some tips on how to navigate around your smartphone.

- **Touch**: Choose an icon or option.
- **Touch & hold**: Show options.
- **Drag**: Scroll or move slowly.
- **Flick**: Scroll or move quickly.
- **Zoom**: Slide fingers apart or together to zoom in or out on Google Maps™, web pages, or photos. You can also double-touch (tap twice, quickly) on the screen to zoom in or out.
LOCK & UNLOCK TOUCHSCREEN

To lock the screen, press Power (①) or let the screen time out (don't press anything).
To unlock the screen, press Power (①), then drag ① to the right.
HOME SCREEN

Use the home screen to see what's most important to you—you'll see it when you turn on your phone or touch Home (�) from another screen.

- **Phone Status Bar**
- **Notifications** Drag this bar down to see details.
- **Shortcuts** Touch to open.
- **Flick left or right to see more panels of widgets & shortcuts.**
- **Open the app menu.**
Tip: From the home screen, touch Home (3) to see thumbnails of the five home screen panels. Touch a thumbnail to go to the panel.

To add an app shortcut to the home screen, touch and hold an empty spot on the home screen, touch Shortcuts, and select a shortcut.

To change one of the shortcuts in the dock row at the bottom of the home screen (except for the app menu icon [4]), touch and hold the dock shortcut, then select the shortcut you want to replace it.
NOTIFICATIONS

Icons at the top of the screen notify you about messages and smartphone status. To see your notifications, touch the status bar and drag it down. Touch a notification to select it.

To dismiss a single notification, touch . To dismiss all notifications, touch .
APP MENU

You can find all of your apps in one place. From the home screen, touch to open the app menu. Flick left and right to see all of your app panels.

From the app menu, touch to view or create app groups.

To close the app menu, touch Home or Back.
MAKE & ANSWER CALLS

To make a call, touch \( \text{Phone} \), enter a number, then touch \( \text{Call} \).

Tip: If the screen is locked, drag \( \text{Unlock} \) to the right first.

Connected
Kristine Kelley
Mobile (555) 555-7931
Chicago, IL
Connected 00:12 Verizon Wireless

Call Timer
End Call
Hang up.

Dialpad
Enter numbers during a call.

Speakerphone
Turn the speakerphone on or off.

Mute
Mute or unmute the call.
To answer a call when the screen is active, touch Answer. When the screen is locked, answer by dragging Answer to the right.

To ignore a call when the screen is active, touch Ignore. When the screen is locked, ignore the call by dragging Ignore to the left. Your smartphone gives you the option to send a text message to the caller. Select a message and touch OK to send it, or touch Cancel to exit without sending a message.

Tip: To silence an incoming call alert, press Power or the volume keys.

Note: Your smartphone includes a proximity sensor. When you hold the smartphone to your ear, the display goes dark to prevent accidental touches. When you move the smartphone away from your ear, the display lights up again.
CONTACTS

Contacts like you've never had before, downloaded from your accounts. View, search, and use them your way. Touch 📞 Contacts.

Tip: To search the list, touch 📡 to open a touchscreen keypad, then type a name. When you flick or drag the list, a scroll bar appears that you can drag to move the list faster.

Group
Create & view groups of contacts.

Add contacts.

Contacts List
Touch to view contact information. Touch & hold to call, send a text message, & more.

Touch a letter to jump to contact names that start with that letter.
VOICEMAIL

SET UP VOICEMAIL
1. Dial *86 (*VM). If you hear a greeting, touch # to interrupt it.
2. Follow the tutorial to select a password and record a voice signature.

ACCESS VOICEMAIL FROM YOUR SMARTPHONE
1. Dial *86 (*VM). If you hear your greeting, touch # to interrupt it.
2. Follow the prompts to enter your password and retrieve your messages.

ACCESS VOICEMAIL FROM ANY PHONE
1. Dial your wireless number. When you hear your greeting, touch # to interrupt it.
2. Follow the prompts to enter your password and retrieve your messages.

RESET YOUR VOICEMAIL PASSWORD
To learn how to reset your password or discover other features, visit verizonwireless.com/myverizon.

Note: Voice mailboxes not set up within 45 days will be cancelled.
Your Verizon Wireless voice mailbox is not password protected until you create a password by following the setup tutorial. Airtime and
other charges will be incurred when using voicemail from your wireless device. Mobile to Mobile minutes do not apply to voicemail retrievals; you will be charged to maintain your connection to voicemail. Verizon Wireless is not liable for missed messages or deletions of messages from your voice mailbox, even if you have saved them.

**VISUAL VOICEMAIL**

One glance tells you all you need to know. View a list of messages without dialing into a mailbox. Listen or erase with the touch of a button.

**Setting up Visual Voice Mail:**

1. If you are a new Verizon Wireless subscriber, first dial *86 to set up your voicemail service.

2. Touch > > Voicemail > Subscribe to Visual Voice Mail and follow the prompts to set it up.

**Note:** It may take up to five minutes for Visual Voice Mail to set up. Your password and voice mail messages will be stored on the device and messages will be available to anyone with access to the device. To limit unauthorized access to the voice mail, consider locking the device when not in use. To cancel your Visual Voice Mail service, go to verizonwireless.com/myverizon or contact Customer Service. Your Block must be removed to use Visual Voice Mail. Data charges apply only to the application download, which requires approximately 1 MB of data.
RINGTONES
Make your phone dance to your tune. Choose a ringtone, change the tone, or silence your smartphone.
To personalize your ringtones, touch Menu > Settings > Sound > Phone ringtone or Notification ringtone.
To silence your phone and make it vibrate for incoming calls, touch Menu > Settings > Sound > Silent mode, then touch Menu > Settings > Sound > Vibrate > Always.
To assign a unique ringtone to a contact, touch > Contacts, open a contact, then touch Menu > Options > Ringtone.

Wi-Fi
WI-FI SEARCH & CONNECT
The Wi-Fi in range indicator appears in the status bar when a network is available. Drag down the status bar and touch the Wi-Fi networks available notification to select and connect to a network.
When Wi-Fi is turned off, touch Menu > Settings > Wireless & networks > Wi-Fi settings > Wi-Fi to turn on and scan. Touch a network to
connect. When your smartphone is connected to the network, the Wi-Fi connected indicator appears in the status bar.

**Tip:** When you are in range and Wi-Fi is on, you will automatically reconnect to available networks you’ve connected to before.

**WI-FI ENHANCED CONNECTIVITY**

Wi-Fi Enhanced Connectivity offers a seamless transition between connections when you switch from the Verizon network to a Wi-Fi network.

When you launch an Internet-capable app like the browser, your smartphone scans for available Wi-Fi networks even when Wi-Fi is turned off, and prompts you to connect to an available Wi-Fi network. If you have a usage-based data plan, you can save on your subscribed monthly data allowance by using a Wi-Fi connection rather than the Verizon network.

**WI-FI HOTSPOT**

**Caution:** This application will significantly impact battery life. You may want to run this application with the charger connected.

**Note:** You need to subscribe to Wi-Fi hotspot service to use this feature. Contact Verizon Wireless for details.

Set up your smartphone as a Wi-Fi hotspot to provide portable, convenient internet access to other Wi-Fi enabled devices.
To activate your Wi-Fi hotspot, touch > Mobile Hotspot > Mobile Hotspot.
When your Wi-Fi hotspot is active, other Wi-Fi enabled devices can connect by entering your hotspot’s SSID, selecting a Security type, and entering the correct Wireless password.

Note: Risks can be associated with connecting to the public internet. It is highly recommended that you take steps to protect your computer from unauthorized access.

To set up and add encryption to your Wi-Fi hotspot, touch > Mobile Hotspot > Configure Mobile Hotspot.

BLUETOOTH®

PAIR A BLUETOOTH HEADSET WITH YOUR SMARTPHONE

To connect with a new device, you need to pair with it. You only need to do this once for each device—to connect again, just turn on the device.

1. Make sure the device you are pairing with is in discoverable mode.

   Note: Refer to the guide that came with the device for details.

3 Touch Bluetooth to turn on and scan. If Bluetooth power is already on, touch Scan for devices.

4 Touch a device to connect.

5 If necessary, touch OK, or enter the device passkey (like 0000) to connect to the device. When the device is connected, the Bluetooth connected indicator : appears in the status bar.

Note: Using a mobile device or accessory while driving may cause distraction and may be illegal. Always obey the laws and drive safely.

HEARING AID COMPATIBILITY INFORMATION

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.
REMOVE THE REAR COVER

If you need to access the micro SIM card or insert/remove a microSD memory card, please follow these removal instructions.

To unlock the rear cover, insert the rear cover removal tool (packaged with your smartphone) in the hole near the back camera lens, then slide the cover down to remove.

If you have any problems unlocking or removing the rear cover, please take your smartphone to any Verizon Wireless store for assistance.

Note: This product uses a non-removable battery. The battery should only be replaced by a Motorola-approved service facility. Any attempt to remove or replace your battery may damage the product and void your warranty.

Tip: In the unlikely event that your device becomes unresponsive, try a forced reboot—press and hold both Power and the down volume key for up to 10 seconds.
VERIZON APPS

Make your smartphone do more with music, ringtones, wallpapers, apps and games. Check the latest scores. Keep up with Twitter and Facebook™. Even plan a vacation. We’ve got apps that help you do it all. Go to verizonwireless.com.

Note: Data charges may apply.

ANDROID MARKET™

Android Market provides direct access to apps, games, books, and movies that you can download and install.

Note: You need to be signed in to your Google account to use Android Market.

1. Touch Market.
2. Scroll to and touch the app you want to install. Then, touch Install (if app is free) or Buy.

Note: If you need help or have questions about Android Market, touch Menu > Help.

Warning: To help prevent spyware, phishing, or viruses from affecting your phone or privacy, use apps from trusted sites, like Market.
THE WEBTOP APPLICATION

The webtop application instantly extends the capabilities of your smartphone. Connect to webtop-enabled accessories (sold separately) to expand your smartphone interface onto any full-sized HD display or monitor. The Firefox® browser gives you full Internet access. Surf the web, make a call, send a text, run Google Docs and other web apps. Multiple windows let you do it all at the same time—something other smartphones just can’t do. The ability to add a full size USB or wireless keyboard and mouse makes it easy for you to edit documents or type long messages.

To automatically launch the webtop application, just connect your smartphone to any of the webtop-enabled accessories below (see “ACCESSORIES” on page 44).

- The Motorola Lapdock™ 100 includes a 10.1” display, keyboard, and trackpad.
- The HD Dock connects to an HD display, plus any wireless keyboard and mouse. Also connect your favorite speakers via a 3.5mm audio jack.
- Use the Adapter for webtop application to connect and run the webtop app on any HD display.
MOTOCAST

Note: Copyright—do you have the right? Always follow the rules. See "Content Copyright" in your legal and safety information.

Stream or download music, pictures, videos, and documents from your computer directly to your smartphone. MotoCast lets you pull content from your home or work computers at blazing fast 4G LTE speeds, providing secure, nearly instant remote access to your files.

DEVICE SETUP
To get started, touch \[ My Accounts \] \[ Add account \] \[ MotoCast ID \], and follow the on-screen instructions to create an account on your smartphone.

DESKTOP SETUP
MotoCast can be installed on one or more Microsoft Windows or Apple Macintosh computers to stream and download files. Your smartphone contains the application that needs to be installed on your computer. Connect your smartphone to the computer with a USB cable, and follow the on-screen instructions to install the application. When installed, log in to the same account you created on your smartphone, then select which computer files you want to share.
MOTOPRINT
Print email, documents, pictures, and contacts directly to shared printers on a Wi-Fi network—no printer drivers necessary. MOTOPRINT automatically discovers networked printers for you. You can even save your favorite printers and geo-tag their location for future use.
To print something from the Email, Quickoffice, or Gallery apps, open it and touch Menu > Print.
To print something directly from the MOTOPRINT app, touch > MOTOPRINT, then select a document type and follow the on-screen instructions.

SMART ACTIONS
Tired of doing the same tasks over and over again? Let Smart Actions do them for you. You can create rules to do things like automatically dim the touch screen when the battery is low, set your ringer to vibrate at work, or set a different wallpaper at home.
For more information, touch > Smart Actions, then touch Menu > Help
MESSAGING

Talk with your fingers. Make a bold statement with the touch of a button. For rates and complete information, go to verizonwireless.com/messaging.

From the home screen touch Messaging > Universal Inbox.

To open a text message or social networking message and all of its replies, touch it.

Check for messages now.
Create messages.
Message Type
Message List
Touch to open a message. Touch & hold to move, delete, & more.

To open a text message or social networking message and all of its replies, touch it.
To respond to a text message, just open it and enter your response in the text box at the bottom.

For email, touch to choose a reply option.

To forward an email message, open it and touch > Forward.

To open options, touch and hold a message.
MUSIC

Keep your music with you! Put music on your phone, or stream music from your computer with MotoCast. From the home screen, touch 🎧 Music > My library.

Tip: When a song is playing, you can add it to a playlist by touching Menu ᵉ > More ᵉ Add to playlist.

Categories
Touch to select music by artist, album, song, playlist, or genre.

Last Played
Touch to play again.

Music Controls
PHOTOS

Take high-quality photos with your 8MP camera. From the home screen, touch Camera.

Tip: From the phone unlock screen, drag to the left to activate the camera.

See your last photo.

Switch between front & back cameras.

Adjust camera settings.

Autofocus Box

Switch to camcorder.

Zoom in/out.

Take photo.

Tip: Press the volume keys to zoom in and out.

To take the photo, touch in the viewfinder.
VIDEOS
Capture HD videos with your 1080p HD camcorder. Upload your creations or send them to family and friends. From the home screen, touch Camera, then drag the camera switch to the right to select the camcorder.

To record a video, touch in the viewfinder. To stop the video recording, touch again.
GALLERY
View all of your photos and your friends’ photos/videos from different media sites like Picasa™, Flickr, PhotoBucket, and Facebook™. You can add comments to others’ photos, and see comments that others have posted. You can even view photos stored on your computer with MotoCast. From the home screen, touch Gallery.

MIRROR MODE
Watch your photo slideshow or recorded HD videos on your HDTV. Just connect your smartphone to an HDTV or monitor using an HD cable (sold separately). Everything you see on your display will appear on the big screen as well.

MOBILE WEB
Take the Internet with you wherever you go. You can read the latest news, get the weather, even watch Adobe® Flash® videos. From the home screen, touch Browser.

BE A MEDIA MOGUL
Let your music flood the airwaves. Your airwaves.
RINGTONES
Pick from our over 90,000 tracks and assign a different song to each person in your address book.

RINGBACK TONES
Entertain your callers with Ringback Tones—songs or sounds they’ll hear while waiting for you to answer.

VERIZON WIRELESS MEDIA STORE
Go online to find loads of cool apps, as well as the latest games and music. Make your purchase online, download apps straight to your phone. Visit verizonwireless.com/apps.

SEE IT ALL
Watch what you want, when you want, right on your phone.

VERIZON VIDEO
Catch your favorite shows and live sports from anywhere in the Verizon Video coverage area. View more than 100 channels, with additional shows added every day in on-demand, full-length episodes. Go to verizonwireless.com/video.
PLAY IT UP

There’s plenty to play, with hundreds of gaming apps:

- Browse, buy and download games on your phone via Market apps (touch \[Market\]).
- Browse and buy games online at verizonwireless.com/games.

Note: Data charges may apply.

VERIZON SAFEGUARDS

Your family; your call. Verizon safeguards give you peace of mind with Content Filters, Spam Controls, Usage Controls, and more. Go to verizonwireless.com/spamcontrols or verizonwireless.com/usagecontrols.

GETTING STARTED WITH LOCATION-BASED SERVICES (LBS)

Verizon Wireless values your privacy. Because of this, your phone is defaulted to only acquire your location when you dial 911. To use Location-Based Services, you must first enable location services on your phone. To activate Verizon Wireless Location-Based Services on your smartphone, touch Menu > Settings > Location & security > VZW location services.
Your wireless device can determine its (and your) physical, geographical location ("Location Information") and can associate Location Information with other data. Additionally, certain applications, services and programs are capable of accessing, collecting, storing and using Location Information and disclosing Location Information to others. You should use caution when determining whether or not Location Information should be made available to others and you should review any applicable third party policies before providing access. To limit potential unauthorized access to your Location Information, Verizon Wireless offers various mechanisms and settings to manage access to location data. By enabling location settings you are permitting third party access to Location Information through software, widgets or peripheral components you choose to download, add or attach to your wireless device or through web access, messaging capabilities or other means, and you are authorizing Verizon Wireless to collect, use and disclose your Location Information as appropriate to provide you with any location services that you enabled.
VZ NAVIGATOR®

More than just directions, VZ Navigator gets you where you’re going and keeps you informed once you get there. Receive traffic alerts, find gas prices and directions to the station, search local businesses, share your location with friends, or speed-dial roadside assistance. Go to verizonwireless.com/navigator.
The Total Package. DROID™ 4 by Motorola is the total package! Highlight its abilities with a suite of accessories that turn your smartphone into a navigation device, a mobile cloud computing powerhouse, an HD media hub, or a stereo system.

**Note:** These accessories are available for purchase at Verizon Wireless locations.

**MOTOROLA LAPDOCK™ 100**

Sleek and lightweight with a built-in keyboard, Lapdock 100 looks like a slim laptop, but comes to life when you dock your DROID 4. Watch movies, edit documents, and browse the web with the latest Firefox® browser, all on the 10.1” screen. Best of all, the new Lapdock 100 connector is universal with most Motorola smartphones that are webtop-enabled.
so you can use Lapdock with your next Motorola smartphone.

**HD DOCK**

Connect to your HDTV and external speakers so you can watch movies, share pictures and home videos with friends, and browse the web—all on the big screen. HD Dock also enables the webtop application, giving you access to all of your smartphone's functions plus the Full Firefox® browser and web applications on the same screen. Text, answer calls, browse the web—all on the big screen, all at the same time.

**VEHICLE NAVIGATION DOCK**

The Vehicle Navigation Dock provides easy access to maps, full turn-by-turn navigation, hands-free calling, and your favorite contacts—all while your smartphone stays
charged. When you park your car, the Motorola Car Finder App automatically notes your location and provides directions back to the car, right on your smartphone.

**P893 UNIVERSAL PORTABLE POWER PACK**

The new P893 Universal Portable Power Pack is an on-the-go charger for your smartphone. Just plug the Power Pack into your phone and forget about running out of battery life. Charge your phone on the go, and have complete access to the phone while it charges.

**HD CABLE**

Use this high-speed 1080p HD cable to connect your smartphone directly to a compatible HD display or monitor, to experience your captured pictures and video on a larger screen.
ADAPTER FOR WEBTOP APPLICATION

With this simple adapter, you can connect your smartphone directly to an HDTV or monitor, and enjoy all the benefits the webtop application has to offer. Browse the web with the latest Firefox® browser, watch a video, or view your photos on the big screen. Simply connect the adapter to your smartphone and attach an HD cable to your TV.
For an interactive guide to your new wireless device, go to verizonwireless.com
